Erratum: “Plasma particle sources due to interactions with neutrals in a turbulent scrape-off layer of a toroidally confined plasma” [Phys. Plasmas 25, 032307 (2018)]

In the paper, there are misprints in two of the equations. Equations (20) and (21) should read

\[ S_e^p = \frac{3}{2} m_e T_n S_n + \frac{1}{2} m_e (u_n - u_e)^2 S_n^2 - \phi_{Dm} S_m - \phi_{Dz} S_{mz} - \phi_{Dz} S_{im} \]  
\[ S_i^p = \frac{3}{2} m_i T_n S_n + \frac{1}{2} m_i (u_n - u_i)^2 (S_n^2 + S_{cx}^2) + (u_n - u_i) \cdot R_{in}^{cx} + Q_{in}^{cx} - Q_{in}^{cx}. \]  

The error is entirely typographical and is not present in the numerical code. The displayed results and drawn conclusions remain unchanged.
