Correction to “Convex Relaxations of Probabilistic AC Optimal Power Flow for Interconnected AC and HVDC Grids”

Andreas Venzke, *Student Member, IEEE*, and Spyros Chatzivasileiadis, *Senior Member, IEEE*

In the article [1], there is a typo in the equation in (26) in Section III.A). The correct formula should read:

$$N_s \geq \frac{1}{\epsilon} \frac{e}{e-1} \left(\ln \frac{1}{\beta} + 2n_\delta - 1 \right) \quad (1)$$
