To the right, there are links for 'Spain', 'Cart', and 'Account', along with a search bar. A navigation menu below the logo includes 'Subjects', 'Products', 'Resources', 'Info / Help', and 'Featured Authors'. The main content area features a book cover for 'Facilities Management and Corporate Real Estate Management as Value Drivers' by Per Anker Jensen and Theo van der Voordt. The cover includes the title, subtitle 'How to Manage and Measure Adding Value', and editors' names. To the right of the cover, the book title is repeated in a larger font, followed by the subtitle and editors' names. Below this, it states '© 2017 - Routledge' and '346 pages'. A 'Share' button with social media icons is present. The 'Purchasing Options' section shows a checkbox for 'Hardback' with ISBN 9781138907188 and a price of £95.00. Below this is a green '+ Add to Cart' button and an 'eBook Ordering Options' dropdown. At the bottom right, there is a 'FREE Standard Shipping!' badge. A navigation bar at the bottom of the book page includes 'Description', 'Contents', 'Editors', and 'Subjects', with 'About the Book' as a sub-section.
