- You may freely distribute the URL identifying the publication in the public portal

If you believe that this document breaches copyright please contact us providing details, and we will remove access to the work immediately and investigate your claim.

Correction sheet

There are few mistakes about presenting the unpublished works:

1. P110, in Figure 4.2, The name of both strains should be “AceF”.
2. P114, in Figure 4.4, The mannitol titer are wrongly presented. Therefore, Figure 4.4 should be replaced by the figure below:
